

Hexagonal

Handcrafted lantern made of 1 to 1.5 mm copper sheets. The outer finishing of the lantern is unprotected natural copper and the internal finishing is polished protected copper. All the welds of this lantern are made with copper. This lantern can be used as a floor lantern or pendant lantern.

Material: Copper **Instalation:** ceiling/floor
Finish: Copper **Type:** exterior/interior

	mm	inch
Hexagonal small	Ø320 x 570	Ø12,5" x 22,5"
Hexagonal medium	Ø490 x 690	Ø19,5" x 25"
Hexagonal large	Ø490 x 820	Ø19,5" x 32,5"

-Due to the use of natural materials and the handcrafted quality of these pieces, color and form variations may be produced. Oxidation will depend on the final climate and location in which the objects are going to be exposed (temperature, moisture and other factors).

-All these objects are handcrafted entirely in Spain, following artisan methods and tradition.

-The floor models are suitable for both floor and pedestal use.

-All models are presented in natural copper to allow the natural patinas to appear. The color of the patina can be modified on request.

-Light source not included in the object.

-Recommended 2700-3000k LED light source.

-The installed light source must meet the current security regulation in each country. Please consult the installing electrician.

-The installing electrician will be the responsible for the electrical installation.
